Adm. Stansfield Turner  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Stan,

May I once more extend an invitation to you to address the Principia College community at some time convenient for your schedule?

When I brought the matter up last fall, you explained how full your speaking program was at the time. Can we plan ahead to some time during the 1978-79 academic year when you could visit us here at Principia? It would be a great privilege and honor to have you give a talk here for us.

I look forward to hearing from you and hope very much that you can accept our invitation.

Ever with warm good wishes to you and Pat, in which Helen joins.

Sincerely,

  
David K. Andrews  
President
